

Arriving and Departing from Rasananda Phangan Island

DESTINATION KOH PHANGAN

Upon arrival at Samui airport you will proceed by tram from the airplane to baggage claim. Upon retrieving your bags, you should walk from baggage claim, toward the exit and use the moving walkway to arrive at the pick-up point.

Here you will be greeted by Rasananda staff holding a signboard and your name. From this point you will be assisted with your luggage and helped into our Resort vehicle which will transfer you to your point of departure, approximately a 10-minute journey.

Rasananda is located on Koh Phangan, one of three islands in the Samui Archipelago, consisting of two other islands Koh Samui and Koh Tao. Guests of Rasananda are encouraged to fly into Koh Samui for transfer to Koh Phangan, however, there are other routes for the more adventurous, yet we do not recommend them.

Flights to Samui are available from Bangkok, Phuket, Krabi, Pattaya and Chiang Mai in Thailand as well as direct International flights from Hong Kong, Singapore and Kuala Lumpur.

For Private Speedboat Crossing, a Guest Service Agent will also meet you at the airport, offering another level comfort and accompany you as you are transferred by private vehicle & pre-registered. The boat will be standing by and you will be offered Canapes and Champagne or wine prior to sailing.

For scheduled speedboat service, upon arriving at our point of embarkation, you will be met by our Guest Service Staff and treated to a relaxing area, changing room and bathroom facilities at the point of embarkation.

And for Public Ferry Crossing, our driver will take you to the ferry pier and ensure you have a ticket and the accurate information on the process of boarding.

FERRY CROSSING

Should you desire a more bohemian experience, you may enjoy traveling by public ferry. Based on schedule, you should choose either Seatran Discovery or Lomprayah Catamaran. Seatran Discovery is approximately 10-minutes from Samui International while Lomprayah Catamaran is approximately 30-minutes away. Both ferries are large vessels holding in excess of 100 people and are very popular with locals and backpackers and the adventurous alike. Sea crossing can take anywhere from 20-minutes to 45-minutes and if weather is inclement,

there can be delays. Upon arriving at the port of Tong Sala in Koh Phangan you will be met by a uniformed driver who will transfer you to Rasananda via shared service vehicle and this segment of the journey will take approximately 40-minutes. For more information on the ferry service, you may visit www.seatrandiscovery.com or www.lomprayah.com. Do note that at the time of printing both ferry piers in Koh Samui lack comfortable waiting areas, however, they do have some seating and limited options for food and/or beverage nearby.

*Guests traveling with Lomprayah should add a 200 THB supplement per person, per way, due to location.
